About Synchronica

Synchronica plc develops and markets industry standard mobile email and synchronisation solutions for the vast majority of devices in the market today. Mobile operators, device manufacturers and service providers in emerging and developed markets use Synchronica products to offer mobile email and synchronisation services to their consumer and corporate customer base. Products include the push email and synchronization solution Mobile Gateway and the mass-market device backup solution Mobile Backup. Headquartered in the UK with a development centre in Germany and a presence in Hong Kong, Dubai and U.S. Synchronica plc is a public company traded on the AIM list of the London Stock Exchange (SYNC.LN). More information is available at www.synchronica.com.
